Comments=Dear Sirs and Mesdames,

My company owns two vineyards very close to this proposed area. Several other vineyardists in the area and I feel this proposal is unjustifiably non-inclusive of all parcels in the immediate nearby area that are subject to exactly the same environmental influences—climate and soil, as well as historical precedent.

We respectfully request at least a 30 day extension on the period for public comment.

Thank you for your consideration,

Brice Cutrer Jones
